We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit.

Holiday Skip-a-Payment

Don't stress over cash this Holiday Season! If you have a loan with Mokelumne Federal Credit Union, you may be eligible to participate in our annual Holiday Skip-a-Payment.

It's easy to apply. Complete the deferment postcard you received either in the mail or from a Member Service Representative, with your current account and loan information. This form can be used for multiple loans within the same account. Each co-borrower who is a signer on the loan(s),

must also sign the deferment form.

Circle either November or December on your form to indicate which month you would like to defer. Turn in the request, along with a \$35/per loan, deferment fee.

No News is Good News! We will only contact you if the deferment request was denied; so if you don't hear from us, then your request has been approved and your due date will be advanced to the following month. You can verify your next loan due date by accessing your

account information via online banking.

There is no adverse action to your loan since interest continues to accrue during the deferment period. We simply add the skipped payment to the end of your loan maturity date.
